### Intro

A V1

I feel unhappy  
I feel so sad  
I lost the best friend  
That I ever had

She was my woman  
I loved her so  
But it's too late now  
I've let her go

A V2

We shared the years  
We shared each day  
In love together  
We found a way

But soon the world  
Had its evil way  
My heart was blinded  
Love went astray

A V3

It took so long  
To realize  
That I can still hear her  
Last goodbyes

Now all my days  
Are filled with tears  
Wish I could go back  
And change these years

B Chorus

I'm going through changes  
I'm going through changes,  
Lord it hurts so bad  
In my life,  
There's gotta be a change in my life  
(Somebody gotta help me)
